WITH

PERNILLA LINDBERG · 2018 ANA INSPIRATION CHAMPION
LPGA MEMBER SINCE 2010 · 2016 OLYMPIAN

JUNE TO SEPTEMBER · STOCKHOLM

VÄLKOMMEN

Come and see our Sweden

I have been an LPGA member since 2010, and for many of those seasons my husband, Daniel, carried my bag. Wherever we went, friends asked us the same question: *what is it about Sweden?*

We spend June to September in Stockholm. If you are coming over to play, this is how we would like to see you: you book your own flights, hotel and tee times, and we point you to the courses and the hotel we would choose ourselves. Then you add the time with me that you actually want. A round together. A morning clinic. A sit-down in the clubhouse about life on tour. Dinner, if the week allows. Daniel runs the planning, so he is the one who will answer your email.

We are not a tour operator, and we do not sell a packaged week. There is no fixed departure, no set group size and no hotel or green fee on our invoice. You pay the clubs and the hotel directly. You pay us for the pro experiences you choose.

Scotland and Ireland are golf's heartland. What we offer is different: time with a major champion, long Nordic summer evenings, and a capital city on the water.

Pernilla & Daniel

Pernilla Lindberg · LPGA member since 2010 · 2016 Olympian · 2018 ANA Inspiration champion

A major champion in Stockholm

Pernilla Lindberg

Pernilla was born in 1986 in Bollnäs, in the province of Hälsingland, and grew up as an alpine ski racer. She started golf at the age of four, introduced by her father Jan, a leading player at Bollnäs Golf Club. In 2003 she won the Junior Solheim Cup with Europe. In 2008 she won the Espirito Santo Trophy (the World Amateur Team Championship) with Sweden. At Oklahoma State University she was a three-time All-American.

She joined the LPGA Tour in 2010 and is still a member, and she represented Sweden at the 2016 Olympic Games in Rio. She has stepped back from a full schedule but plays the Chevron Championship (formerly the ANA Inspiration) every year as a past champion, and she commentates the women's majors for Viaplay.

"I can't believe that I can call myself a major champion."

Pernilla, Rancho Mirage, April 2018 (AP)

Her first professional win was a major. At the 2018 ANA Inspiration, a major-record eight sudden-death holes over two days ended on Monday morning with a 30-foot birdie putt to beat Inbee Park. Then came the traditional leap into Poppie's Pond, with her parents and her caddie, Daniel.

Daniel Taylor

Daniel runs Stockholm Pro Access and does the planning. He answers every inquiry, builds the schedule, confirms dates and prices, and arranges the fellow professionals and tour-star experiences. He is the person you write to. He does not book your hotel, flights or tee times.

He knows professional golf from inside the ropes. As a caddie he has worked for more than 30 men's and women's tour professionals, and he was on Pernilla's bag when she won her major in 2018. Daniel grew up playing golf in the UK and played for the England national team. He met Pernilla at Ladies European Tour Q-School in 2009, and the two married in 2019.

2003	Pernilla wins the Junior Solheim Cup with Europe
2008	Pernilla wins the Espirito Santo Trophy with Sweden; Daniel graduates from Southeastern Louisiana
2009	Pernilla meets Daniel at LET Q-School, La Manga
2010	Pernilla's LPGA rookie season; Daniel starts caddying for her
2016	Olympic Games, Rio de Janeiro

2019	Pernilla marries Daniel
Today	LPGA member; plays the Chevron Championship each year as a past champion

HOW IT WORKS

Three steps, then you are playing

1

Book your own flights, hotel and tee times. We will point you to our favorites: the courses on the following pages, and a waterfront hotel we know well.

2

Choose your pro experiences and email us your dates. Daniel confirms what Pernilla can do that week, and the price.

3

Play Sweden with a major champion. We meet you at the club. The rest of the trip is yours to shape.

Clubhouse Inside the Ropes: life on tour

Evenings Pro Night, hosted by Pernilla

Tour pros Fellow professionals, by arrangement

You don't buy a week from us. You buy the part of the week that no one else can sell you: time on the course and in the clubhouse with a major champion.

Stortorget, Gamla Stan.

WHY STOCKHOLM

We are not going to tell you Stockholm is St Andrews. What it has is long summer light, a capital city built on water, and championship golf within a short drive of the waterfront. It works as well for a non-golfing partner as for the golfer.

We are in Stockholm from June to September. Pernilla is away during the women's major weeks, which she commentates for Viaplay, and she plays the Chevron Championship every year as a past champion.

Pro experiences

Add as many or as few as you like. Prices are on request, and we confirm them for your dates.

18 HOLES · YOUR GROUP

A round with Pernilla

Pernilla joins your group for 18 holes at one of the courses we recommend. It is not an exhibition. It is a round, with the conversation that only happens between shots.

Price on request

MORNING · PRACTICE GROUND

Morning clinic with Pernilla

Short game, routines and course management: the things she actually uses, rather than a scripted lesson. Practical, relaxed, and usually full of stories.

Price on request

NINE HOLES, OR A PLAYING LESSON

Playing lesson with Pernilla

Nine holes, or a playing lesson built around your own game. A good fit if a full round is more than you want, or if you would rather work on something specific.

Price on request

IN THE CLUBHOUSE · PERNILLA

Inside the Ropes

A relaxed sit-down with Pernilla in the clubhouse, over coffee or a drink. Life on tour: how players prepare and make decisions, what it is like to win a major, and her own career as an LPGA member since 2010, a past champion at the Chevron and a Viaplay commentator.

Price on request

AN EVENING IN THE CITY

Pro Night

A hosted dinner with Pernilla in the city, and an open conversation around the table. What does a playoff at a major feel like? We host the evening, and everything is included in one fee.

Price on request

A DAY · BY ARRANGEMENT

A day with a fellow tour pro

A Swedish touring professional, man or woman, for a round or a clinic with your group. Who joins you depends on who is home and free. We confirm the name before you commit.

Price on request

THE TOP TIER · BY ARRANGEMENT

Tour star experiences

Rounds and clinics with leading men's and women's tour professionals, by arrangement. Nothing is promised until a professional has said yes, so we name no one here. Tell us the week you have in mind and we will tell you honestly what is possible.

Price on request

On every experience. Subject to availability. Pernilla is not available during the women's major weeks, because she commentates for Viaplay. Guest play depends on each club's rules and green fees, which you pay directly to the club. You book the tee time; we meet you there.

Courses we recommend

These are the courses we would send a friend to. You book the tee time yourself, and you pay the club directly. We have not listed green fees: they change, and the club's own site is the right place to check.

UPPLANDS-BRO · ROBERT TRENT JONES JR. · OPENED 2007

Bro Hof Slott, Stadium Course

Sweden's top-ranked course, and **#5 in Golf Digest's 2026 ranking of Continental Europe's best**. At 8,046 yards from the back it is one of the longest courses in Europe, with Lake Mälaren in play throughout. It hosted the Scandinavian Masters on the European Tour several times between 2010 and 2016.

Our first choice for a round with Pernilla. brohofslott.com

UPPLANDS-BRO · ROBERT TRENT JONES JR. · OPENED 2009

Bro Hof Slott, Castle Course

The estate's second course runs inland through forest and rock, a very different test from the Stadium. Arriving through the estate gates to the castle clubhouse is one of Swedish golf's great first impressions.

The club offers a same-day Stadium and Castle combination if you want both. You arrange that with Bro Hof.

ÅKERSBERGA · SVEN TUMBA 1981 · JACK NICKLAUS 2013

Ullna Golf & Country Club

#19 in Golf Digest's 2026 Continental Europe ranking. Set on Lake Ullna, 20 km north of Stockholm, Ullna has a tournament history few Nordic clubs can match. It hosted the Scandinavian Enterprise Open (1983–87), the 1988 Eisenhower Trophy and the SAS Invitational (1998–2001), whose fields included Tiger Woods. Annika Sörenstam won the Ladies European Tour's HP Open here in 2004, and the club hosted the DP World Tour's Scandinavian Mixed in 2023.

Club maximum handicap: 24 men, 30 women. A natural morning for the clinic, if you book one. ullnagolf.se

LOVÖN ISLAND · EKERÖ

Royal Drottningholm Golf Club

Kungliga Drottningholms Golfklubb sits on Lovön, the island that is home to Drottningholm Palace. The palace has been the residence of King Carl XVI Gustaf and Queen Silvia since 1981, and the Royal Domain of Drottningholm has been a UNESCO World Heritage Site since 1991. The club hosted the Scandinavian Masters in 1991 and 1994.

The course is laid out on crown land, and King Gustaf VI Adolf inaugurated it in 1959. He was 77 and declined the opening drive, then changed his mind, borrowed a sweater and postponed dinner to play some late-afternoon golf. The club says the scorecard still hangs in the clubhouse.

The club is closed to play on Monday mornings. The palace and gardens are an easy visit for anyone not playing. kdrkg.se

KEVINGE, DANDERYD · FOUNDED 1904

Stockholms Golfklubb

Sweden's second-oldest golf club, rich in tradition and just minutes from the city. Classic parkland meets modern strategic touches, with tall pines and views back toward Stockholm and the water.

A true walking course: trolleys are free, and carts are available only with a medical certificate. Closed to play on Tuesday mornings. stockholmsgolfklubb.se

WHERE TO STAY · OUR RECOMMENDATION

Hotel Diplomat, Strandvägen

An Art Nouveau palace on Stockholm's grandest waterfront boulevard, welcoming guests since 1911. It is the first hotel in the family-owned Diplomat Collection, and Condé Nast Traveler readers have named it one of the best hotels in their "Rest of Europe" category.

Djurgården's parks and museums, the boutiques around Norrmalmstorg and the restaurants of Stureplan are all within walking distance.

It is the hotel we recommend to friends, and the courses are a straightforward drive from Strandvägen.

You book the hotel yourself. We do not hold rooms.

Two alternatives, if Diplomat is full or you want a change: **Grand Hôtel Stockholm**, on the waterfront overlooking the Royal Palace and Gamla Stan, welcoming guests since 1874 (grandhotel.se); and **Hotel Villa Dagmar**, a boutique hotel on Nybrogatan in Östermalm beside Östermalms Saluhall, and the second hotel in the Diplomat Collection (hotelvilladagmar.com).

AN IDEA, NOT A PACKAGE

A sample week you can copy

One way to shape six nights if you are starting from scratch. Change anything. The pro experiences in gold are optional, and only happen if you book them with us.

1 Arrive

Land at Stockholm Arlanda and make your own way to the hotel. Walk Strandvägen. Dinner wherever you like.

2 Ullna

Book a morning tee time. If you have added them, this is a natural day for the **morning clinic** before you play, and **Inside the Ropes** with Pernilla over a drink in the clubhouse afterwards. The club is about 20 km north of the city.

3 Royal Drottningholm

Parkland golf on Lovön, then the palace and gardens for anyone who wants them. Evening: **Pro Night**, a hosted dinner in the city with Pernilla, if you have asked for it.

4 Bro Hof Slott

The Stadium Course, and the Castle Course the same day if you want 36. Our first choice for a round with Pernilla. You book both tee times with the club. Carts, if you want them, are booked with Bro Hof too.

5 A day off the course

Gamla Stan, the Vasa Museum, a spa, or Östermalms Saluhall. See “Ideas for your week” if you want something booked in advance. Those are arranged by you, not by us.

6 Stockholms Golfklubb, then home

A late tee time if you want one more round, on a walking course a short drive from town. Fly home the next morning, or carry on to one of the Nordic extensions.

Royal Drottningholm is closed to play on Monday mornings, and Stockholms Golfklubb on Tuesday mornings. Build the week around that.

When to come

We are in Stockholm from June to September, which is when the golf is at its best. Around midsummer the city has more than 18 hours of daylight, with sunset after 10pm. Pernilla is not available during the weeks of the women’s majors, which she commentates for Viaplay.

Getting here

SAS flies nonstop between Newark and Stockholm Arlanda, and Delta flies nonstop from New York JFK in season. The flight takes about 8–9 hours, based on 2026 schedules. From the airport you make your own way into the city: Arlanda Express is the fast train, and taxis are easy to find.

If you want more than golf

These are places and operators we would mention to a friend. You book them directly. We do not sell them, arrange them or add them to an invoice.

ARCHIPELAGO · EVENING

Grinda, by boat

About an hour from the city to the island of Grinda, for dinner at the island inn, then back in the long summer light. Ask a local boat operator. One that runs this is Öppet Hav (oppethav.se).

ARCHIPELAGO · MIDDAY

A helicopter hop

Private helicopter charters fly over Stockholm and the islands from Bromma. Öppet Hav is one operator that pairs a short flight with lunch on Grinda. You book the charter yourself.

ARCHIPELAGO · AFTERNOON

A floating sauna

Wood-fired sauna rafts in the inner archipelago, with a swim in the Baltic. RIB Stockholm (ribstockholm.com) is one company that runs trips out to them.

AN EVENING IN TOWN

Frantzén

Frantzén holds three Michelin stars and is, on the group's own site, the only restaurant in Sweden with three. The group also has a Test Kitchen used for private dining. See frantzengroup.com.

A SHORT WALK FROM STRANDVÄGEN

The Royal Palace

The Royal Apartments, the Treasury and Museum Tre Kronor are open to visitors. The palace also takes group visits. See kungligaslotten.se and book there.

AFTERNOON

A Nordic spa, or aquavit

Grand Hôtel's spa is a short walk along the water (grandhotel.se). Spritmuseum, on Djurgården, offers tastings of Swedish aquavit (spritmuseum.se). NK, the department store, offers personal shopping (nk.se).

M/Y Gaia, a classic yacht that can be chartered for dinner on the water, is another idea if you want a boat of your own for an evening (gaiacharter.com). Again, you book it, not us.

IF YOU HAVE MORE DAYS

Nordic extensions, arranged by you

Lofoten Links

Seaside golf in Arctic Norway under the summer midnight sun. Golf Digest (2026) ranks it **#3 in Continental Europe**, above every course in Sweden.

Visby, Gotland

Visby Golfklubb, **#11 in Continental Europe** (Golf Digest 2026). Reachable by air or sea from Stockholm. A seaplane charter is one way to do it, booked by you.

Skåne, then Copenhagen

Barsebäck (**#12**, host of the 2003 Solheim Cup) and Falsterbo (**#15**), both in Golf Digest's 2026 Continental Europe top 20. Copenhagen is a simple flight home.

Questions, answered

Do you book hotels or golf?

No. We recommend the courses and a hotel, and you book them yourself, directly with the club or the hotel. We don't book flights, transfers or restaurants either. The only thing we sell is the pro experiences on the menu.

What does a pro experience cost?

We confirm prices for your dates. Email us your dates and the experiences you want and we will send a price. Pro Night is one fee, with the dinner included. Tour star experiences are priced on request, because they depend on who is available.

Can a partner join?

Yes. A non-golfer is welcome at Pro Night, our hosted dinner, and at a clinic if they would like a club in their hands. Palace, museum and archipelago days need no handicap at all.

What handicap do I need?

It depends on the club. Ullna's maximum is 24 for men and 30 for women, and other clubs set their own visitor rules. Tell us your handicap index when you inquire and we will say which of the recommended courses suit your group.

Can you arrange a top tour pro?

Sometimes, by arrangement, and only once that professional has agreed. We will not put a name in front of you until we have a yes. Price on request.

How far ahead should we write?

As soon as you have rough dates. Summer tee sheets at these clubs are busy with members, Royal Drottningholm opens guest times only a few days ahead, and Pernilla's weeks are planned around her commentary schedule. A note to pernillalindberggolf@icloud.com is enough to start.

Walking and carts

Stockholms Golfklubb is a walking course: trolleys are free, and carts are only available with a medical certificate. Other clubs, including Bro Hof, hire carts. You arrange that with the club. We don't promise carts, caddies or meals at any course.

Money

Sweden uses the krona (SEK), and cards are accepted almost everywhere. Hotel, green fees and restaurants are paid by you, to those businesses. Pro Night is the exception: we host it, for one fee. Pro experience prices are confirmed by email when you inquire.

WHY SWEDEN

A small country that plays big

Sweden has produced major champions in both the men's and the women's game, Pernilla among them. Swedish golf clubs counted a record **588,069 memberships** in 2025, with junior memberships up 18.5%, and the country has about 450 courses.

INQUIRE

Tell us when you are coming

Email Daniel with your name, your home club, approximate dates, how many of you are playing, and which pro experiences interest you. He will write back with what is possible that week and a price. Your hotel and tee times stay with you: you book and pay for them directly.
